Fabric specifications for linens

Welcome to our guide on fabric requirements for linens! This mini catalogue covers our tailoring options, dimensions, and recommended fabric quantities to help you shop confidently on undameta.com.

Isn't this pattern
design simply lovely?

We've used the [Circular Drift Frenzy](#) pattern by © Tessie Gachoka to illustrate how it could look on products. Feel free to choose any pattern from our website for your stitching project. The visual overlays are simply guides for how the design may appear on the final product.

METERAGE

The required meterage is based on the assumption that the fabric width is 180 cm. (60")

CUSTOM SIZES

If the provided linen sizes don't meet your needs, please reach out for custom size options via info@undameta.com

MINIMUM ORDER QUANTITIES

The MOQ for purchasing from Pattern and Fabric edition on UndaMeta is 3 meters.

FABRICS

Fabric costs not included. Explore our fabric selection from our website:

[Fabrics > Fabric Types](#)

[Fabrics > Fabric Pricing](#)

SHRINKAGE

There is a 5-10% shrinkage on all fabrics, particularly cottons, with extreme cases of 15%.

COLOUR FASTNESS

UndaMeta fabrics feature high-quality digital prints that, with advanced technology and proper care, can retain their vibrancy for several years.

However, exposure to harsh conditions or improper maintenance may cause fading over time

Notes.

All linens and apparel will feature our signature UndaMeta satin tag. If you have your own tags you'd like us to use, please send them to our address within 5 business days of placing your order.
